**Silverstone / Hong Kong (18 July 2023)** - NIO 333 Racing Formula E Team, a prominent participant in the highly competitive FIA ABB Formula E Championship, is delighted to announce a new partnership that will further strengthen their position in the world of electric motorsport. The team has forged a strategic alliance with LETX Lifestyle, marking the beginning of an exciting collaborative journey towards success.

This strategic partnership unites the expertise and resources of both entities to deliver unparalleled experiences for fans, partners, and stakeholders, while driving innovation and elevating performance. With a shared commitment to sustainability, NIO 333 Racing Formula E Team and LETX Lifestyle are well-positioned to make a significant impact both on and off the track.

**Mr Alex Hui**, Team Principal NIO 333 Racing Formula E Team: *"We are delighted to welcome LETX Lifestyle as our valued partner. Their expertise and shared vision in delivering exceptional entertainment and high-end lifestyle experiences will contribute to our team's growth and success. Together, we will push the boundaries of sustainable motorsport, inspire fans, and forge new opportunities for our partners."*

**Mr Andrew Lo**, Chairman LETX Lifestyle: *"We are thrilled about the opportunities presented by this collaboration, the partnership between LETX Lifestyle and NIO 333 Racing Formula E Team. It represents an opportunity to offer an exceptional, all-inclusive lifestyle experience."*

*In the world of high luxury, a fusion of fast cars, five-star hotels and fine dining experiences, we are creating the ultimate choice of lifestyle for the most discerning customers as LETX Lifestyle is on its way to becoming the next iconic must-visit destination in the Philippines. This is why we believe that the collaboration between LETX Lifestyle and NIO 333 Racing Formula E Team perfectly blends the excitement of motor racing and luxury hospitality, a natural fit that aligns with our vision of offering the ultimate luxurious experience for our guests. Through this partnership, we aim to fuse dynamic sports and high-end entertainment, delivering the ultimate lifestyle choice for the exquisite tastes of our customers."*

This partnership marks a significant milestone for NIO 333 Racing Formula E Team, as the team continues to make remarkable progress on the track in Season 9. Additionally, the team has experienced positive commercial traction, benefiting from enhanced exposure to Formula E's growing and highly engaged audience. Season 9, coupled with the introduction of the new Gen3 racing car, has delivered thrilling racing action alongside impressive net-zero credentials, making Formula E appealing to a broader sports fan base beyond traditional motorsport series

The updated livery showcasing the branding of LETX Lifestyle on the NIO 333 ER9 will debut in Rome this week for Rounds 13 and 14 of Season 9 of the FIA ABB Formula E Championship in which drivers Dan Ticktum and Sérgio Sette Câmara will be back on track to continue the teams on track progress.
